DETAILED ACTION

1. Claims 1-42 are pending. Applicant cancelled claims 43-64.

Claim Rejections - 35 USC § 103

2. Claims 1-42 are rejected under 35 U.S.C. 103(a) as being unpatentable over Carrott, 6,782,369 in view of Ghosh, 2001/0032094

Carrott discloses, e.g. Figs. 1-5 and related text, a computer program for allocating sales commissions comprising processing sales transaction data, capturing transaction data and determining. Carrott does not disclose determining if sales representative associated with the transaction has a valid license to sell products associated with a sales transaction.

Ghosh discloses sales representative associated with the transaction has a valid license to sell products associated with a sales transaction. It would have been obvious to one having ordinary skill in the art at the time the invention was made to incorporate the teachings of Carrott with those of Ghosh to provide licensed sales representatives. The motivation for having done such would have been to use common knowledge to ensure proper compliance with regulatory schemes.

Applicant's June 11, 2008 REMARKS with respect to claims 1-42 have been considered but are moot in view of the new grounds of rejection.

3. Applicant's Information Disclosure Statements (IDS's) received May 8, 2008 and January 8, 2008 have been reviewed. Note the attached IDS's.

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
